

CONNOR D. MARTZ, PhD

6900 Lake Nona, Blvd., Orlando, FL | connor.martz@ucf.edu | [Google Scholar](#)

EDUCATION

- 2024 **Post-Doctoral Fellowship in Population Health** · University of Texas at Austin
Advisor: Lauren Gaydosh, PhD | Emphasis: biological aging, life course research
- 2022 **PhD, Human Development and Family Science** · Auburn University
Advisor: David H. Chae, ScD, MA | Emphasis: social epidemiology; health equity research
- 2016 **BS, Human Ecology** · University of Wisconsin–Madison
Minor: Global & Public Health

EMPLOYMENT

- 2025– **Assistant Professor**, Department of Population Health Sciences, College of Medicine
University of Central Florida, Orlando, FL
- 2024–2025 **Post-Doctoral Research Associate**, Carolina Population Center
University of North Carolina at Chapel Hill, Chapel Hill, NC
- 2022–2024 **T32 Post-Doctoral Fellow**, Training Program in Population Studies, Population Research Center
University of Texas at Austin, Austin, TX

RESEARCH GRANTS AND FELLOWSHIPS

Under Review

- 2026–2028 **NIH Loan Repayment Program for Health Disparities Research** | \$32,415.75
Early-Life Environments and Biological Aging Across the Transition to Adulthood
 Grant #: L60AG104742
 Role: PI (Independent Researcher)
- 2026–2028 **RWJF From Insight to Action: Health Equity Research that Meets This Moment** | \$500,000
Intersectional Discrimination and HIV Inequities: A Community-Governed Pilot Advancing Multilevel Evidence and Clinical Action in Central Florida
 Grant #: 164900
 Role: Co-PI (Community Co-PI: Angela Martinez, CREWHealth)

Funded

- 2022–2024 **National Institute of Child Health and Human Development** | \$56,880
Training Program in Population Studies
 Grant #: T32HD007081 (MPI: Goosby/Cavanagh)
 Role: Trainee (Postdoctoral Fellow)
- 2019–2021 **National Institute of Arthritis and Musculoskeletal and Skin Diseases** | \$77,736
Biopsychosocial Mechanisms of Lupus Progression in African American Women
 Grant #: F31AR076234
 Role: PI (Predoctoral Fellow)

Not Funded

- 2026–2031 **National Institute of Mental Health** | \$3,866,644
Biopsychosocial Susceptibility Factors for Social Media Effects on Young Males' Mental Health: Investigating the Role of Masculinities and Gene-Environment Interactions
 Grant #: 1R01MH145199-01
 Role: Co-Investigator (MPI: Taliaferro/Schrimshaw)
- 2025–2030 **National Institute on Aging** | \$248,145
Epigenetic Mechanisms Linking Childhood School Contexts with Biological Aging in Adulthood
 Grant #: 1K99AG097977-01
 Role: PI (Postdoctoral Fellow)
- 2023–2024 **Network for Innovative Methods in Longitudinal Aging Studies (NIA)** | \$64,000

HONORS AND AWARDS

2023	Butler-Williams Scholar, National Institute on Aging (NIH)
2020	Master's Thesis Award, Auburn University (one of six university-wide)
2019–2021	Ruth L. Kirschstein F31 National Research Service Award (NIH)
2019	Outstanding Master's Student Award, Auburn University (one of 11 university-wide)
2018	Honorable Mention Poster Award, APA Division 45 Research Conference
2018	Second Place, Three Minute Thesis Competition, Auburn University
2018	Graduate School Council Travel Award, Auburn University
2018	Han Soo Chae Memorial Fund for Excellence, Auburn University
2018, 2019	Graduate Student Excellence Travel Award, Auburn University
2015–2016	Dean's High Honors, University of Wisconsin–Madison
2014	Dean's Honors, University of Wisconsin–Madison

SCHOLARLY IMPACT

Course Adoptions and Media Recognition

- Martz CD, et al. (2024). Structural Racism in Primary Schools and Changes in Epigenetic Age Acceleration among Black and White Youth. *Social Science & Medicine*, 347(116724).
 - Required reading: PSY 5960-003 (Race and the Life Course), University of Minnesota Twin Cities, Fall 2024 (Instructor: Juan Del Toro)
 - Recommended reading: SOC 395J (Race and Health), University of Texas at Austin, Spring 2025 (Instructor: Bridget Goosby)
 - Required reading: SOC 950 (Population Health), University of North Carolina at Chapel Hill, Spring 2025 (Instructor: Lauren Gaydosh)
- Martz CD, et al. (2023). Incident Racial Discrimination Predicts Elevated C-Reactive Protein in the BeWELL Study. *Brain, Behavior, & Immunity*, 112:77–84.
 - Featured by media outlet: [Lupus Foundation of America](#)
- Martz CD, et al. (2019). Vicarious Racism Stress, Racial Discrimination, and Disease Activity: The BeWELL Study. *Journal of Racial and Ethnic Health Disparities*, 6(5):1044–1051.
 - Featured by media outlets: [The Rheumatologist](#), [NBC](#), [CNN](#)

Public Engagement

- Chae DH, Rogers LO, Yip T. (2020). White Parents: Talking to Your Children about Racism is Part of the Solution. [The Hill](#). (Conducted analyses and contributed writing)

PRESENTATIONS

Refereed Conference Presentations

2025	Adolescent Exposure to Gun Violence and Future Asthma Risk. Poster presentation, Interdisciplinary Association for Population Health Sciences (IAPHS) Annual Conference, Pittsburgh, PA.
2025	Exposure to Deadly Neighborhood Gun Violence and Biological Aging During Adolescence. Accepted for oral presentation, International Union for the Scientific Study of Population Conference, Brisbane, Australia (<i>Declined due to travel conflict</i>).
2025	Exposure to Deadly Neighborhood Gun Violence and Biological Aging during Adolescence. Poster presentation, Population Association of America (PAA) Annual Meeting, Washington DC.

- 2024 Bullying, School Context, and Adolescent Epigenetic Aging. Oral presentation, TEXPOP Conference, Austin, TX.
- 2024 Bullying Victimization and DNA Methylation Age Acceleration: The Role of School Racial Composition. Oral presentation, Population Association of America (PAA) Annual Meeting, Columbus, OH.
- 2023 Primary School Context and Accelerated Epigenetic Aging in Black and White Children. Oral presentation, Interdisciplinary Association for Population Health Sciences (IAPHS) Annual Conference, Baltimore, MD.
- 2023 School Structural Racism and Accelerated Epigenetic Aging in Black and White Children. Oral presentation, Advances in Social Genomics Conference, Madison, WI.
- 2022 Primary School Context and Accelerated Epigenetic Aging in Black and White Children. Poster presentation, TEXPOP Conference, Austin, TX.
- 2021 Racial Residential Segregation Shapes Exposure to Subjective Neighborhood Disorder and Subsequent Risk of Depressive Symptoms in the BeWELL Study. Virtual oral presentation, University of Michigan RacismLab Conference, Ann Arbor, MI.
- 2020 Latent Profile Analysis of Census Tract Characteristics and Risk Factors for Disease Progression in the BeWELL Study. Oral presentation, Interdisciplinary Association for Population Health Sciences (IAPHS) Annual Conference (*virtual*).
- 2019 Area-Level Poverty and Organ Damage in the BeWELL Study. Poster presentation, Interdisciplinary Association for Population Health Sciences (IAPHS) Annual Conference, Seattle, WA.
- 2018 Direct and Indirect Racism among African American Women with Lupus. Poster presentation, APA Division 45 Research Conference, Austin, TX. (*Honorable Mention Award*).
- 2018 Vicarious Racism Stress Exposure and Disease Activity among African American Women with Systemic Lupus Erythematosus. American Public Health Association (APHA) Annual Meeting, Denver, CO.

Invited Talks

- 2025 From Cells to Society: Uncovering the Biosocial Pathways of Health and Aging Over the Life Course. College of Medicine, University of Central Florida, Orlando, FL.
- 2025 From Cells to Society: Uncovering the Biosocial Pathways of Health and Aging Over the Life Course. Department of Psychological Sciences, University of California–Irvine, Irvine, CA.
- 2025 Biosocial Pathways of Health Disparities. Social and Behavioral Sciences Branch, Division of Population Health Research, National Institute on Child Health and Human Development (NICHD). (*Cancelled due to policy changes.*)
- 2024 Advancing Research on Biosocial Mechanisms of Health Inequities. School of Public Health, LSU Health Sciences Center, New Orleans, LA.
- 2023 Biosocial Mechanisms of Population Health Inequities. Neighbors Research Group (NRG), School of Public Health, University of Michigan (*Virtual*).
- 2023 Advancing Biosocial Research on Health Inequities. Department of Social and Behavioral Sciences, Harvard T.H. Chan School of Public Health (*Virtual*).
- 2023 Primary School Context, Structural Racism, and Pediatric Epigenetic Aging. Biosocial Working Group, Population Research Center, University of Texas at Austin, Austin, TX.
- 2023 Advancing Research on Biosocial Mechanisms of Racism and Health. Friday Seminar Series, Population Research Center, University of Texas at Austin, Austin, TX.
- 2022 The Social Epidemiology of Systemic Lupus Erythematosus and Mechanisms of Disease Progression among Black Women. Epidemiology Departmental Seminar, Tulane University School of Public Health, New Orleans, LA.
- 2017 Inequalities in Health: Does Society Make Us Sick? Departmental Seminar, School of Human Ecology, University of Wisconsin–Madison, Madison, WI.

Symposium Presentations

- 2019 Interdisciplinary Rural African American Aging Research. Auburn University College of Human Sciences Graduate Student Research Symposium, Auburn, AL.

- 2019 Vicarious Racism Stress and Disease Activity among African American Women with SLE. Southeastern Symposium on Child and Human Development, Athens, GA.
- 2018 Vicarious Racism Stress and Direct Racial Discrimination among African American Women with SLE. Auburn University Three Minute Thesis Competition, Auburn, AL (*Awarded Second Place*).
- 2018 Direct and Indirect Discrimination: The Role of Vicarious Racism on Disease Activity among African American Women with SLE. Auburn University This is Research: Student Symposium, Auburn, AL.
- 2017 Health Disparities in the U.S. and Alabama. Southeastern Symposium on Child and Human Development, Auburn, AL.
- 2017 Health Disparities in the U.S. and Alabama. Alabama–Germany Partnership: State of Healthcare in Alabama, Auburn, AL.

TEACHING AND MENTORSHIP

Teaching Assistant

- 2021 Seminar in Health Ecology and Equity (HUSC 5950/6950), Auburn University, Auburn, AL (Instructor: David H. Chae)

Guest Lecturer

- 2026 Getting Under the Skin: How Social Contexts Shape Biological Aging Across the Life Course (SYO 4400). Department of Sociology, University of Central Florida, Orlando, FL (Instructor: Yiwen Wang)
- 2025 The Biological Embedding of Neighborhood Contexts (SOC 950). Department of Sociology, University of North Carolina at Chapel Hill, Chapel Hill, NC (Instructor: Lauren Gaydosh)
- 2023 Spatial Techniques for Population Health & Health Equity Research. Pre-Conference Workshop, Interdisciplinary Association for Population Health Sciences (IAPHS) Annual Conference, Baltimore, MD.
- 2023 Social Determinants of Community Health. Community & Nonprofit Leadership Seminar, University of Wisconsin–Madison, Madison, WI (Instructor: Michael Maguire)
- 2022 An Introduction into Latent Profile Analysis for Social Epidemiology Research (EPID 6600). Tulane University School of Public Health, New Orleans, LA (Instructor: Katherine Theall)
- 2021 Measuring the Built and Social Environment: An Introduction into Latent Profile Analysis. Tulane University School of Public Health, New Orleans, LA (Instructor: Katherine Theall)

PROFESSIONAL EXPERIENCE

- 2024–2025 Research Affiliate, Population Research Center, University of Texas at Austin, Austin, TX
- 2020–2022 Research Fellow, Department of Social, Behavioral, and Population Sciences, Tulane School of Public Health and Tropical Medicine, New Orleans, LA
- 2016–2020 Research Assistant & Teaching Assistant, Department of Human Development and Family Science, Auburn University, Auburn, AL
- 2016 Project Coordinator, Division of Policy, Planning, and Evaluation, Public Health Madison & Dane County, Madison, WI
- 2015–2016 Research Coordinator, Department of Population Health Science, School of Medicine and Public Health, University of Wisconsin–Madison, Madison, WI
- 2015 West Nile Virus Surveillance Technician, Division of Environmental Health, Public Health Madison & Dane County, Madison, WI

PROFESSIONAL ACTIVITIES

Grant Review Service (Ad Hoc)

- 2025 Social Sciences and Humanities Research Council of Canada (Insight Research Program)

Journal Review Service (Ad Hoc)

American Journal of Epidemiology · American Journal of Public Health · Annals of Behavioral Medicine · Demography · Health and Place · Health Psychology · Journal of Adolescent Health · Journal of Health and Social Behavior · Journal of Pediatrics · Journal of Racial and Ethnic Health Disparities · Journal of Rheumatology · Journal of the American Academy of Child and Adolescent Psychiatry · Nature Mental Health · Psychoneuroendocrinology · Psychosomatic Medicine · Social Science & Medicine · Social Science & Medicine–Population Health

University Service

- 2026– Member, MPH Curriculum Review Committee, Department of Population Health Sciences, UCF College of Medicine
- 2026– Faculty Reviewer, Student Projects for Focused Individualized Research Experience (FIRE) Program, UCF College of Medicine
- 2025– Member, Research Conflict of Interest Committee, University of Central Florida
- 2022–2025 Ad Hoc Reviewer, Postdoctoral Training Program, Population Research Center, University of Texas at Austin
- 2021–2022 Contributor, NIH T32 Application: Bridges to the Doctorate Research Training Program, Tulane University School of Public Health
- 2019–2021 Coordinator, Social Determinants of Health Brown Bag Series, Auburn University
- 2017–2019 Vice President, Graduate Student Organization, Department of Human Development and Family Science, Auburn University

Professional Organization Service

- 2025– Member, Awards Committee, Interdisciplinary Association for Population Health Science (IAPHS)
- 2023 Discussant, Population Association of America Annual Meeting
- 2023 Pre-Conference Workshop Instructor, IAPHS Annual Conference
- 2022 Moderator, IAPHS Annual Conference
- 2021, 2022 Conference Abstract Reviewer, IAPHS Annual Conference
- 2021 Conference Abstract Reviewer, Society for Epidemiologic Research Annual Conference
- 2020–2023 Student Committee Member, IAPHS

Professional Organization Membership

- 2025– Education Studies for Healthy Aging Research (EdSHARe)
- 2025– Network on Life Course Health Dynamics & Disparities (NLCHDD)
- 2024– Network for Innovative Methods in Longitudinal Aging Studies (NIMLAS)
- 2023– NIA Biomarker Network
- 2019– Interdisciplinary Association for Population Health Sciences (IAPHS)
- 2018–2021 American Public Health Association (APHA)
- 2018 American Psychological Association (APA), Division 45

ADDITIONAL INFORMATION

Community Service

- 2019–2022 Founder and Advisory Board Member, Camp Kesem at Auburn University
- 2017–2019 Member, Community Advisory Board, Society, Health, and Racial Equity Lab, Auburn University

International Research Experience

- 2015 Study Abroad, Agriculture, Health, and Nutrition in Mukono, Uganda. University of Wisconsin–Madison.

Professional Outreach

- 2022 Blog post: Alumni Q&A, School of Human Ecology, University of Wisconsin–Madison
- 2021 Blog post: Harmonizing the Graduate Funding Journey, IAPHS
